Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on restoring school pride and ensuring that the Trafalgar School community is welcoming and inclusive.

We are doing this because every student should feel safe and welcome at our school.

Throughout the year, we will be:

1. Use Trafalgar Titans' expectations to build community and respect in the school community
2. Build school pride and agency through events and teams
3. Ensure that each student feels safe and welcome every day

Community/Home Connections

Ask your child about The Trafalgar Expectations, how they work at school and how Titan Tokens are used to celebrate positive behaviour

Try using Titan Tokens at home with your child.
